

HOWRAH PRIMARY SCHOOL

Launching into Learning – Term 4 2020

Welcome to our birth to 5 program at Howrah Primary School. This is an opportunity for young children to begin to develop their confidence and curiosity as learners prior to commencing full-time school. We hope that this is the beginning of a long and positive relationship between your family and our school, where we all work together to ensure that your child has the best possible start to life!

Who does the program cater for?

All children aged from birth to 5.

Purpose

- to provide an opportunity for your family to make a connection with our school, other families and our local community
- to provide a learning environment for your child to explore, where dispositions such as creativity, curiosity, wonder and discovery are encouraged
- to provide a learning program that focuses on the development of early literacy, numeracy and communication skills

Teaching Staff

Robyn Fazackerley

When

Monday mornings from 9:15am-10:35am
