

# HOWRAH PRIMARY SCHOOL

Launching into Learning – Term 3 2021

Welcome to our Birth to 5 program at Howrah Primary School. This is an opportunity for young children to begin to develop their confidence and curiosity as learners prior to commencing full-time school. We hope that this is the beginning of a long and positive relationship between your family and our school, where we all work together to ensure that your child has the best possible start to life!

### Who does the program cater for?

All children aged from birth to 5.

### Purpose

- to provide an opportunity for your family to make a connection with our school, other families and our local community
- to provide a learning environment for your child to explore, where dispositions such as creativity, curiosity, wonder and discovery are encouraged
- to provide a learning program that focuses on the development of early literacy, numeracy and communication skills.

**What is Little Explorers:** A movement based session which may include movement games, obstacle courses, song, dance, local excursions and nature based exploration and play.

**What to bring:** water bottle, layers of clothing.

**What to wear:** movement friendly clothing, closed footwear. Weather appropriate clothing. This may include: gumboots, rain jacket, beanie, gloves. Bring warm layers.

Think clothing you can crawl in, climb in and get dirty in. For **you** and your **child**.

We'll meet at Howrah Kindergarten at 1:25pm for sign in, for a 1:30pm start. Some weeks we will be walking to our Nature Play site.
