

**KINDERGARTEN – YEAR 2  
INFORMATION AND COMMUNICATION TECHNOLOGIES (ICT)  
ACCEPTABLE USE AGREEMENT**

At Howrah Primary School, students use ICT (Information and Communication Technologies) for learning. These include laptops, tablets, iPads, document cameras, cameras, photocopiers and robotics equipment.

By signing this agreement, I am agreeing to be respectful, responsible and safe with ICT and to always use it to learn in a positive way.

When I use ICT I will:

- Use devices at school for learning only.

- Be careful with all ICT equipment.

- Only use apps or websites that the class teacher allows or that are on the school intranet.

- Never share my photos and any personal information online.

- Keep my passwords secret.

- Ask permission before I take photos of other students or adults.

- Not type or say things online that will hurt others.

- Tell a teacher straight away if I see something that makes me or someone else upset or uncomfortable.

I agree to follow these rules and I understand that if I don't I will not be able to use ICT until the teacher has given me permission to use it again.
